25th Infantry Wreckers Win From Coast Defense In Fast And Exciting Game

Crumpler is the Shining Light of Contest Played at Moiliili Sunday

In spite of the fact that the team for which he was pitching lost, Crumpler was the shining light of the second game between the 25th Infantry Wreckers and the Coast Defense yesterday afternoon at Moiliili which the former won by the score of 3 to 0. Although he allowed a total of seven hits, he struck out 12 men and did not walk one, while his fielding was perfect and he made one hit off Rogan out of two times at bat.

Playing against the admittedly superior team—the team which has now long been rated as the strongest in the islands—the Coast Defense made an admirable showing against the Wreckers. The latter were this time primed for the occasion following their defeat two weeks ago, and with Rogan in the box even showed flashes of what the

fans liked to term "big league stuff."

Rogan pitched superior ball and although his work kas not as spectacular as that of Crumpler, he struck out only two less than the latter person, walked only one man and allowed only three hits. His work at the bat netted him two hits, both of which were followed by runs.

Many There.

About 1200 persons, the greater portion of whom were soldiers, attended the game Sunday, packing the grandstand. The band was there, and there was much excitement, for the game was full of close and fast plays.

The two teams will again meet on next Sunday, but at Schofield barracks. In this game the superiority of one team or the other in this little series will be established.

The game yesterday was played as follows:

First inning: Hawkins was up first for 25th and hit a hard grounder to Johnson, who caught him on first after stumbling. Smith reached first on a pretty bunt, but was forced out at second when Rogan hit to Davis at short stop. Johnson, fourth man up for the Wreckers, knocked a hot liner over second, bringing Rogan in, and advanc

ing to third when the center field threw wild over second base.

Goliah Struck Out.

Johnson, first up for the Coast Defense, struck out, Bailey went out from pitcher to first, McGavin got to first on Fagin's error, but McClain flew out to left field to make the third out. Score, 25th 1, Coast Defense 0.

Second inning—Crumpler struck out Moore, Crafton and Fagin in a row.

Kelly started things for the Coast Defense with a long driving fly and advanced to second on Crafton's error, and to third by fielder's choice, Stewart being caught on first following a hit to short. Rogan lost his smile for once, when Davis came up. The latter hit the ball to second, Kelly started home, but was caught easily, and the former arrived safely at bag one. Davis was caught stealing by the second base for the third out. Score the same.

Third inning—Swinton struck out, Hawkins went out on an easy grounder to pitcher, and Smith struck out.

Womack struck out, so did Crumpler and Johnson went out on a grounder to short. Score, the same.

Fourth inning—Rogan hit a hot one between short and third, and Kelly prevented his advance by catching Johnson's very long fly into center field. Goliah struck out again, but Moore hit safely through short stop and third, advancing Rogan to third and himself to second. Two men on bases and Crafton struck out on three balls and two strikes. Score, the same.

Bailey was caught at first on a grounder to second and so was McGavin on a grounder to short. McClain hit through Fagin at second, arriving at first, but Kelly knocked a pop fly to Moore to make the third out. Score the same.
