EXPECT FAST GAME WITH SPRUDELS HERE

Colored Aggregation Is Said to Be One of the Best.

It is expected that the fastest game which has been or will be played this season at Athletic park will be that of Sunday afternoon when Richmond meets the West Baden Sprudels, a colored team, said to be one of the three best colored aggregations in the country. The game will be called promptly at 3 o'clock.

The Sprudels are the equal of the Lincoln Giants of New York and defeated the American Giants of Chicago in a series of games.

R. N. Husson, secretary of the Richmond ball club has received positive assurance that Taylor, their fastest pitcher, will hurl in the game here Sunday. Besides seeing a crackerjack baseball game Secretary Husson says the spectators will be given a string of comedy from two Sprudel men on the coach line.

Newcastle has canceled her game with the Sprudels for Saturday and it is believed this action was taken because Newcastle must win her game with Cambridge City on Sunday. The Sprudels will come here direct from West Baden arriving Sunday morning and will not leave until Monday morning. The Richmond and Sprudels lineups for the Sunday's game are as follows:

Richmond—Slarp third base, Valentine left field, Stupp shortstop, Sommers first base, Clarke catcher, Dahl centerfield, Allison right field, Coblentz second base, Wilcoxen pitch, Walters pitch and Beard, utility.

Sprudels—Shiveley left field, Brown center field, Clarke shortstop, Lewis third base, B. Taylor first base, Kindle second base, McMurray catch, Bingham right field, J. Taylor pitch, Williams pitch, Simpson pitch and C. I. Taylor utility.
