

CUBAN TEAM WINS FROM MONTGOMERY

In one of the fastest and best played games of the season, the Montgomery Grey Sox team was defeated Saturday by the Cuban Stars by the score of three to one. The Grey Sox batters were helpless in hitting, and at no stage of the game did the locals have an opportunity to drive out a victory. The Cuban team is a well balanced club, and gave their pitcher jam-up support.

President John Staples of the Grey Sox team announced Saturday night that the game scheduled this afternoon between his club and the Cubans would close the season for the Grey Sox club.

Myers allowed hits to be bunched in the early stage of the game Saturday, three hits coming in the initial inning

run came in the seventh inning when Scales scored from second on Mc-Gavock's rap to the infield. Streeter or Mason will pitch for the Grey Sox this afternoon.
