

A.s and Marcos in Two Scraps Here Tomorrow

Two games will be on the schedule at Washington park tomorrow afternoon, the Indianapolis A. B. C.s meeting the Dayton Marcos in what promises to be a couple of hot clashes. The Marcos, managed by Jim Taylor, brother of the local pilot, is rated along with the best colored clubs in the country, and has a good record to show for. Already this season the Dayton outfit beat Rube Foster's American Giants of Chicago.

Dismukes will twirl for the A.s in one of the contests tomorrow; and Johnson may be the other pitcher for the local team. Thursday Dismukes turned back the strong Kansas City

Monarchs in a game at Marion, Ind.

The Marcos will also play here Monday afternoon, after which C. I. Taylor's team will go on the road, not returning until June 27. Monday's game will start at 3:15.
