

# Central Steels Hit When Hits Are Needed To Win

Timely hitting gave the Massillon Central Steels another victory over the colored Dayton Marcos Sunday afternoon, 4 to 3 in a hard fought battle, making a clean sweep of the series with the champions of the National colored league and 19 straight for the season.

To Red Hart, veteran hero of many battles, goes highest honors for the victory. Red came through in fine style, pitching a brand of ball that had the visitors eating out of his hand throughout with the exception of seventh inning, when the visitors took a one-run lead on three hits and an error.

In the first inning, Shortstop Cunningham, of the colored team accepted one of Red's offerings for a single, but after that Hart had them going out in order, until the seventh.

It was in the eighth inning that Massillon cinched the game. After Hobbs and Williams went down, Blackburn started things with a single and advanced to second when Joe Agler was given a pass. Scott filled the bases with a single right behind second. To Harry Seigfried, goes credit for pounding in the winning run. With two strikes on him Siegfried slammed a fast one through second, too hot for Wingfield to handle, allowing Blackburn and Agler to romp

across with the winning runs.

Dayton opened its attack in the seventh after one was down, Wingfield getting a single and taking third on an error by Blackburn, who threw wild in attempting to field Lane's bunt. Captain Taylor sent Wingfield over when he singled. Lane scored when Hocker lifted a fast one to deep right for a double. Taylor then broke the tie when he beat Williams' throw from left after taking a high one from Alexander's bat.

From then on, Hart settled down and had them eating from his palm.

Massillon made its first run in the third on a double and triple. With one gone, Cain doubled, sending Hart across the rubber. Umpire Howells ruled Hart out for

falling to touch second. A moment later, Hartle swung on the ball for a three-sacker, Cain scoring. In the fourth, Williams slammed out a triple. He scored when Pitcher Britt, who had been continually throwing to bases to get runners

napping, balked. The Agathons then went down in order until the eighth.

The Dayton team again used Britt Sunday afternoon, after the Agathons had gathered six hits off his delivery in eight innings, Saturday. Britt failed to show up as well, Sunday, allowing nine hits, including two triples and two doubles.

The colored element from Canton, Massillon and surrounding ter-

ritory was present in large numbers, Sunday, and for the last three innings the stands were in a continual uproar. Score:
