

# GREY SOX WALLOPED ATLANTA'S CRACKERS

---

**Local Negro Team Wins Pretty  
Ball Game Sunday 2 to 1;  
Mason Hurls Good Ball**

---

With the best balanced team that the Grey Sox have ever had on the local diamond, and playing a good jam-up game behind Mason, the local aggregation won the game from Atlanta yesterday afternoon at South Side park by the small score of two to one.

The pitchers engaged in a pretty battle and both teams played excellent ball. It was one of the best games that the fans have been treated to this season and quite a large number were present.

The locals scored the first run in

the third inning when Carpenter hit safe and was advanced to third on McGavock's single and scored on a balk by Hamilton. The second score came in the seventh frame, when McCormick stepped into one for three bases and scored on a wild throw to third by Hamilton.

The Black Crackers threatened to score in the fourth but Mason buckled down to the task before him and with three men on bases and no outs he retired the side scoreless. Their only run came in the eighth and was made wholly on account of errors.

Two of the Grey Box players who have been absent from the line-up for some time were back in the game yesterday. Wesley, better known to the fans as "Two-Sides," was at his old position at second base and Bob McCormick was holding down third. Both

played the game as though they had never been absent and it was McCormick's three bagger that gave his team the run that won the game.

The two teams left early this morning for Atlanta, where they will play three games.

**The batteries—Black Crackers: Hamilton and O'Neal; Grey Sox: Mason and Williams.**
