

# GREY SOX RETURN TO PLAY KNOXILLE

After a successful road trip, in which they won three straight games from the Birmingham All-stars, the Grey Sox returned home yesterday for the hardest battle of the season when they will meet the fast Knoxville Giants in a series of games to determine the pennant winners of the Southern League for negroes.

The Grey Sox are still leading the lead by a safe margin and the only obstacle in their path to the pennant is the strong Knoxville team who have played such sensational ball all of the season
