

BIRMINGHAM WINS FINAL FROM LOCALS

Grey Sox Infield "Blows" in Fifth Inning, Giving Game To Visitors

Taking advantage of errors made by the Grey Sox infielders, Birmingham All Stars defeated the local aggregation Saturday afternoon by the score of three to one. The Grey Sox infield "blew up" in the fifth inning and the visitors scored three runs, a lead which the locals were unable to overcome.

Selman and Streeter pitched good ball, but the "breaks" of the game were against the local twirler. The Grey Sox batters hit the ball hard, but the visiting players made almost impossible stops and plays on several drives and this play killed all chances of the locals. In the fifth inning, McCormick made two errors, each being responsible for runs and Williams def-

mitted another to score when he allowed a third strike to get away from him. After this inning the locals settled down and played good ball.

The visiting twirler kept his hits well scattered and at no time during the game did he allow them to be bunched. The two teams will play again this afternoon, the game starting at 3.30 o'clock. Manager Cunningham will probably send Myers to the mound, while Zeigler will hurl for Birmingham.
