

ERRORS WERE COSTLY FOR THE GREY SOX

Due to costly errors by the Grey Sox the Atlanta Black Crackers won the first game of the series yesterday afternoon at South Side park, 4 to 1. The Crackers had only one earned run, the other three being the result of errors.

Hampton pitched a good game and was given jam-up support. The locals only score came in the third inning when Scales hit for three bases and was scored by Preston. They threatened to upset the dope in the ninth inning but were unable to ever get a run across. The honors of the game go to Scales, whose heavy hitting was a feature of the game, and to Red Cunningham, who made two sensational stops at first that held the score down.

The teams will play a double-header this afternoon, the first game to begin at 2:30 o'clock.

The batteries: Hampton and O'Neil for Atlanta and Meyers and Preston for the locals.
