

NEW ORLEANS CLUB DEFEATS GREY SOX

Mason Is Driven From Mound and Streeter Is Batted At Will

By driving Mason from the mound in the second inning, and hitting Streeter at will, the New Orleans Add Club had little trouble in defeating the Montgomery Grey Sox Friday, 7 to 3. Erratic fielding by the Grey Sox outfielders aided the visiting club, the local outfielders playing a slow game on safe drives.

Ross for the visiting club carried off the batting honors with three triples and one single, while McGavock and Carpenter for the local each secured a triple. The absence of "Red" Cunningham at first base is felt by the Grey Sox, although Wesley is playing

the initial corner in fair style. With Cunningham out of the game, the local players appear to lack the fighting spirit which has marked their playing all season. The two teams will play again this afternoon, game starting at 4 o'clock.

Batteries: Sugula and Ross; Mason, Streeter and Williams. Umpires Hall and Mullett.
