

# DETROIT STARS TO PLAY AGAIN

## State Champions to Meet All-Star Aggregation on Mack Park Diamond.

Manager Teddy Blount seriously is thinking of billing his future games at Mack park as exhibitions of slugging, featuring the Detroit Stars as the bat propellers.

This idea he gained after watching his dark-hued pastimers lambast the ball in the opening game last Sunday. They gave ample evidence of the fact that they are some club-

bers, whose batting averages for the season will rival those of the major league leading swattists.

The Sars play the second game of the season Sunday at Mack park, 3:15 p. m., opposing a team styling itself the Delray All-Stars. It is a picked up aggregation which includes about the same players as the one which paraded as the Denby Motors last week.

While it is not to be expected that the pick-ups will trim the state champions, the game provides some good practice for the harder ones to succeed it and no doubt will give the fans plenty of excitement, for the colored players are good entertainers and their hitting, base-running, fielding and all-around play always is worth watching.

Holland, formerly of the A. B. C.; Cooper, from Texas Black Giants; Thompson or Walker, both veterans, will hurl for the Detroit Stars, with Eggleton or Peway receiving. LaBond, Weaver and some other hurler will work for the opposition.

# CAPACITY CROWD SEES STARS WIN

**Mack Parkes Beat Local  
Semi-Pros 7 to 2.**

Nice weather Sunday brought out a record crowd at Mack park, the Detroit stars winning, 7 to 2 from a team of all-stars purporting to be from Delray, but in reality one of the strongest shop teams of this city. Ground rules were necessary on account of the overflow crowd.

Schultz and Miller, formerly of the Toledo A. A. team, was the battery that opposed the colored boys. The former hit, freely at times, although on the whole he

pitched a very creditable game, striking out three men in the sixth inning. Timely hitting and lightning baserunning by Warfield, Hewitt, Lyons and Moore brought in the runs that gave the colored champs the verdict. Holland, former A. B. C. twirler worked the first five innings for the stars and allowed only one hit.

The all Stars scored twice off Cooper, who worked the last four innings getting to the lefthander for five hits. Two of these, by Dacey and Kirby, were doubles. Moore made a beautiful catch in the sixth inning, robbing LaBond of a home run. Hewitt's batting featured.
