

JACKSON NINE TACKLES STARS

After winning four straight games from local teams the Detroit Stars will take on a state nine Sunday, the Jackson Independents having been booked for appearance at Mack park.

Jackson always has boasted a fairly good independent nine and this season has a collection of pastimers that are expected to be prominent contenders for the state title. The aggregation already has won as many games as the Stars. Jackson's team will be the first from out of the city to face the Stars this season.

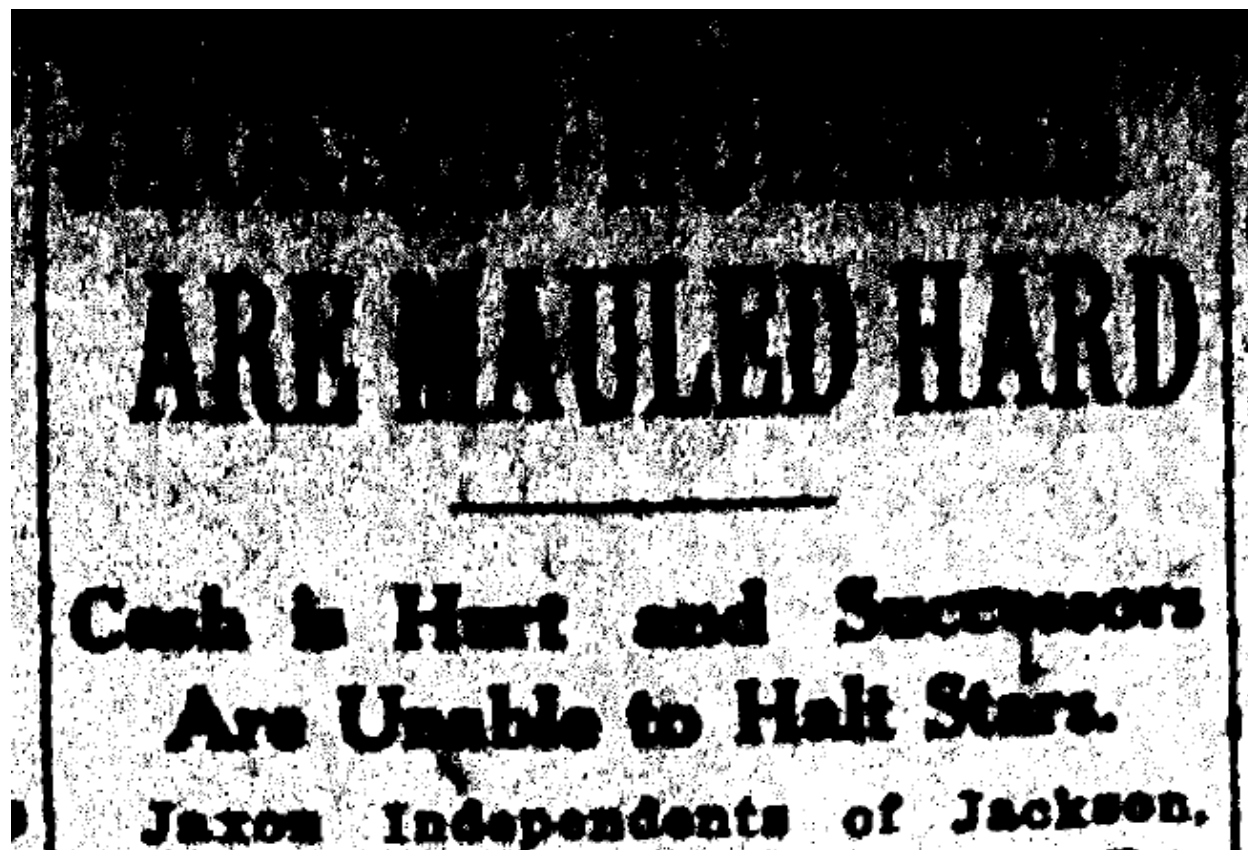

Manager Blount has signed a new third baseman, trading Pitcher Walker to the Indianapolis A. B. C. club for Longware, who is rated a star at the position. Hewitt failed

to show up last week and the need of a hot corner guardian has been the one weakness of the infield.

The Cuban Stars have been booked for their first appearance of the season against the Stars May 15, 16, 17, 18 and 19.
