

# CUBAN STARS WILL FACE LOCAL TEAM

## Detroit All Stars Meet Strong Opposition Here Saturday.

Detroit Stars will face the biggest game on their schedule next Saturday ~~afternoon~~ when they go against the Cuban Stars at Mack park.

The Cubans can be remembered as the team that stopped the locals last year after they had won 13 straight games. The Cubans will have the same lineup and hurlers on this invasion of Detroit.

Lallane, Junco, Hernandez and Talosa, the four twirlers who have been responsible for the showing made by the Cubans, will accompany the team here Saturday. The probable starter has not been announced.

Hubbard or Cooper may be on the mound for the locals and either is expected to give a good account of himself.

The game will start at 3 o'clock.
