

STARS RESUME PLAY TUESDAY

Detroit Stars and Indianapolis A. B. C.s did not play Monday due to the cold weather and wet condition of the grounds, but will renew hostilities in their series at Mack park Tuesday, 3 p. m.

"Steel Arm Johnnie" Taylor joined the Indianapolis club Monday and probably will figure in one of the two remaining games to be played here. He is said to be a splendid moundman and should strengthen the visitors in the pitching department.

The Stars have the jump on their rivals, winning the first two games, and now are in a position where one victory in two of the other contests will give them the series. However, they are after a clean sweep and will use Hollands and Gatewood in the final games.

Lyons, has a big edge on Charles.

ten of the visitors in the series to date. He has made three hits in six times at bat, while the visiting star has gone hitless. Lyons had the satisfaction of fanning him twice when he pitched the last few innings of Saturday's game.
