

# KANSAS CITY TEAM IN SUNDAY'S GAME

## Westerners Meet Detroit Stars on Mack Park Diamond.

With a mixed lineup of Cuban and colored baseball pastimers the Kansas City Monarchs present about the best team that has faced the Detroit Stars this season and the second game of the series Sunday is very likely to shatter attendance records at Mack Park, the Tigers being out of town.

Both teams will send their star batterymen to the front in this contest. Gatewood working for the home contingent and Donaldson,

who beat the American Giants, for the visitors.

Three star Cuban pastimers are included in the visiting team's roster. Joe Mendez, once famous pitcher, now playing the outfield, who is managing the club; Portundo, third baseman; and Rodriguez, who played with the Stars last season.

Crawford and Donaldson, also former Detroit pitchers, will figure in the series and the hurling staff of the Kansans surely is a powerful one. The series is to last six games on successive days.

# MONARCHS EVEN UP SERIES HERE

# Beat Detroit Stars in One-sided Game Before Big Crowd.

Detroit Stars lost a one-sided game to the Kansas City Monarchs 10 to 0 before a Sunday crowd of about 7,000 people.

Donaldson, for the visitors, had his former teammates at his mercy, holding them to five scattered hits and striking out nine men.

In the sixth the Monarchs gathered in six hits, including McNair's homer, for a total of five runs.

Mendez, for the visitors, and Thompson, for the locals, probably will face each other in Monday's game. Score:

KANSAS CITY					DETROIT STARS
