

CUBANS IN GAME AGAINST STARS

Second Game of Series Billed for Play Sunday Afternoon.

Sunday afternoon at Mack Park the famous Cuban Stars and Detroit Stars play the second of their six-game series, both teams being contenders for honors in the Colored National baseball league.

The Islanders have a powerful aggregation at the present time--rated an even stronger one than when Mendez and other famous players were members of the team. The pitching staff consists of LeBlanc, famous no-hit artist; Junco, Talosa and Guerro.

On their previous visit here the

Cubans split even with the Detroit team and there is no club that visits this city which is more popular than the Cubans.

Manager Blount has strengthened his team for this series by securing the services of Harper, right fielder of the Kansas City Monarchs, and Scott, of the Lincoln Giants. Sunday's game starts at 3 p.m.

HERNANDEZ HOLDS STARS IN CHECK

**Cuban Pitcher Is Too Much
For Locals in 4-1 Game.**

Superb pitching by Hernandez, who held the Detroit Stars at bay while the Cuban twirler's teammates batted Holland hard, gave the Islanders another victory Sunday at Mack Park. Score 4 to 1.

Hernandez himself hit in three of the four runs, the other resulting from a very cleverly executed squeeze play. The Detroiters were shut out for eight innings. In the ninth frame Riggins doubled and scored on Gatewood's hit to center. The fielding of both teams was perfect.

The same teams play Monday, Tuesday and Wednesday afternoons at the east side ball park.
