

# MARCOS VS. STARS AT MACK SUNDAY

---

## Last Game of Series Should Attract While Tiges Are East.

Playing in the second and last game of their series, the Dayton Marcos and Detroit Stars will furnish the baseball pastime at Mack Park Sunday afternoon which is ~~the big contest of the day with~~ the Tigers in the east.

Jim Taylor, formerly of the Indianapolis A. B. C. club, is managing the Ohio team and has greatly strengthened his aggregation since it appeared here earlier in the season. So much so, in

fact, that his club won three of the five games series in Kansas City just before the Monarchs came here to trim the Stars three games in five.

The Stars will send Hollands or Gatewood to the mound on this occasion while Britt the "ace" of the visiting mound corps, most likely will work against the local selection.

Dayton lost an early season series to the Stars and is out to gain revenge on this trip to Detroit. The game will be called at 2:30 o'clock in order that the Stars may catch an early Wabash train for St. Louis where they open an invasion of the western end of the National Colored baseball league circuit.
