

DETROIT STARS IN EASY VICTORY.

Open-Semi-Pro Season Here by Trimming Denby Motors.

Special to The Freeman.

DETROIT, Mich.—Detroit "semi-pro" baseball season was mustered in for 1926 at Mack Park Sunday, the Detroit Stars taking on the newly organized Denby Motor Truck team, the Stars handing their guests a neat lacing to the tune of 12 to 0. A remarkably large crowd was on hand considering the frigid condition of the weather.

The Denby pitchers were taken for thirteen lusty blows, six of which were doubles. Several new faces appeared in the Stars' lineup. Ted Blount's new pitchers, Cooper, Holland, Moore and Walker, all worked one or more innings, and although these boys were working under wraps still the exposition could do nothing with the assortment that was handed up.
