

RAGLAND WILD—MARCOS LOSE

CHICAGO, Ill.—Special— The Marcos were downed by the American Giants Sunday, when Ragland's wildness was mainly responsible for two runs and in the second frame when he did get the ball over, the Giants encountered but little difficulty in connecting with his offering. George Britt, one of the 'main stays of the Marcos was injured at Gary Saturday, and Hocker the first-sacker also suffered along the same path and will be out for some time. Coleman, a big likely looking south-paw finished the game for the Daytonians and displayed streaks of such form that may cause him to be heard from before the season closes. One of the largest crowds of the season watched the game.
