

## DETROIT STARS ORDERED TO REPORT MARCH 20th.

Special to The Freeman.

DETROIT, Mich., March 23.—Interest as never shown here before is plainly evident in the many inquiries of hundreds of fans, asking when will the

Stars open. With ideal weather and hundreds of people on the streets and no place to go, baseball has been a god-send to thousands who work week days, and with many more thousands here than last season, the Stars are sure to enjoy the greatest prosperity in the west.

The following players were ordered to report: Petway and Eggleton, catchers; Wesley, Wardell, Hewitt, Hutchinson, Bacharacha, infielders; Lyons (St. Louis), Pete Hill (manager and captain), Lofty Hill (Dayton), Boyd (Kansas City), outfielders; Whitworth, Holland, Cooper, Simpson, Pitchers, who are sure to be retained.

There are thirty-one players on the Star's training list.

The additional as follows who will try for positions on the Stars, are

pitchers, catchers, infielders, Willis, J. D. Hill, Bell, Parrish, Descille, Taylor, Medlock, Worthy, Grant, Bishop, Pickett, Walker, Long, Pruitt, Thomas and Mosley. These players are from all over the country. Many come with great reputations. Those who are not good enough for the Stars, or cannot be kept, owing to the player limit, will be traded to other clubs in the circuit. Never before has so much money been spent as will be spent by the western men in developing players for the league. The owners have realized that the supply must equal the demand.
