

10,000 SEE A. B. C.'S TAKE DOUBLE HEADER FROM CUBANS.

CHARLESTON'S FIELDING A SENSATION

First Game _____ 4 to 3
Second Game _____ 4 to 2

When Oscar Charleston, the flashy outfielder of the A's, with his back to the stands, leaped in the air and pulled down a long drive in the ninth-inning, with two Cubans on, he saved the first game from going into extra innings and was also rewarded by the fans with a cap full of money. Old Reliable Ben Taylor's work at first base was of the sensational order. Brother Ben saves the boys many errors by snagging them from all angles. Dicta Johnson held the enemy in charge and when they did threaten some A would come to the rescue with a fast play.

William Dismukes, the smiler, was on the firing line in the second game and held the pesky Cubans to two hits in six innings. "Dizzy's" underhand delivery was a puzzle to the Islanders.
