

LAST GAME ON CARD.

Taylor's A. R. C.'s and the Cuban All-Stars, were scheduled to meet in the last game of the series at Washington park this afternoon, yesterday's contest having been called off on account of wet grounds. The local players were out to make a clean sweep of the series. Ragland, who finished Monday's game, was the probable pitching selection of the home club. LeBlanc was to take the mound for the visitors. Kansas City will be the next opponent of the Taylorites for a five-game series, starting with a double header Sunday.
