

KANSAS CITY CLUB NEXT TO CLASH WITH A. B. C.'S

Mendez, playing shortstop with the Kansas City Mohawks, who appear at Washington park Sunday in a double-header against the A. B. C.'s, is rated as one of the best colored Cuban baseball players appearing in the states. He has been clouting the ball hard, and is expected to swing a big stick against the Indianapolis colored stars. The first contest Sunday will start at 2:25 o'clock.

The Kansas City team is composed of a number of Cubans, all rated as fast in their class. Portuondo, third baseman, along with Mendez, are both known by local followers of the A's. Donaldson and Cunningham, pitchers, who formerly twirled for Taylor's club, are on the staff of the Mohawks. The Kansas City team will be here for five games, playing two Sunday and a single game Monday, Tuesday and Wednesday.
