

A B C'S SWEEP SERIES.

Taylor's A B C's won the third straight game from the Dayton (O.) Marcos yesterday at Washington Park, 8 to 1. Delta Johnson was on the mound for the locals, and with perfect support would not have been scored upon. G. Brown of the visitors, scored their lone run in the third when he reached first on Clarke's error and completed the circuit when Ragland booted J. Taylor's hit to center.

The local team left last night for a swing around the western half of the Negro National league, playing a series with the St. Louis Giants at the start and will not appear here again until June 27.
