

## Detroit Stars to Start Series With A B C's Sunday

The Detroit Stars and the A B C's will hook up in a series here at Washington Park. The teams will meet Sunday in a single contest, starting at 3 o'clock, while Monday two games will be staged, the first one starting at 2 o'clock. A single contest will take place Tuesday.

C. I. Taylor's speedy A's have a chance to go into second place in the standing of the Western Colored League. The Stars are at present in second position, but can drop back if the local colored club wins the series. Rube Foster's American Giants, of Chicago, who dropped two out of three contests played here, are leading the loop.
