Followers of C. I. Taylor's A. B. C.'s will get a glimpse at quite a few new players Sunday when the local colored club takes the field against the slug-ging 'Kansas City Monarchs. Two games are scheduled, the first one

starting at 3 o'clock. These teams meet tomorrow at Muscle, then come here for the Sunday contests and will stage single games Monday, Tuesday and Wednesday.

Robert Hudspeth, known better in Texas as Highpocket, will alternate with Ben Taylor at the first base station. Hudspeth has a reputation of being able to dish out plenty of comedy and he is expected to make a big showing here. Washington, the hard hitting outfielder with the San Antonio club in Texas, will perform in left field, while Mackey, another new player, who has been here the last few days, will work in one of the

contests behind the bat. Manager Taylor thinks a great deal of Mackey and believes he will prove himself a real star.
