

A. B. C.'S WIN FINAL.

The A. B. C.'s defeated the St. Louis Giants again yesterday afternoon at Washington park, 7 to 2.

This was the final at-home game for the local colored boys this season. The A.'s won three out of the four-game series with the St. Louis club, which will greatly help their standing in the Western Colored League.

Johnson pitched splendid ball in yesterday's game for the local club, allowing the visitors but six hits. The A.'s showed splendid team work, both in the way they backed their pitcher and in their heavy hitting. Clark, Charleston and Ben Taylor furnished the big noise at the bat.
