

## DETROIT STARS

Detroit, Mich., April 9.—Great preparations are being made for the opening game here and the fans are elated over the new team that will represent Detroit this season. The Stars have done their spring training at home and the weather has been ideal for such, and Manager Pete Hill is all smiles as he has uncovered some very promising youngsters that will be in the Stars' lineup. The pitching staff will have four young pitchers and two of them are expected to make great reputations in the new circuit. Lefty Cooper, a big southpaw from Texas, looks better than Pat Dougherty did in his best days and Holland of Indianapolis is another very promising youngster and great things are expected of him and with Petway and Eggleton on the receiving end they should be winners from the start. Wesley, Warfield, Hewitt and Hutchinson will take care of the inner garden and they look to be the class of the new circuit. The outfield, with Jimmy Lyons, Pete Hill, Boyd and C. Hill, will be well taken

care of. The fans have ordered box seats weeks ago and intend to give the Stars a rousing sendoff. The attendance will be even greater than last year when standing room was at a premium. There will be a parade before the game, headed by a band of twenty pieces and the Royal Rooters Club in machines will escort the Stars to Mack park. The mayor has been asked to pitch the first ball. Game called at 3:15. All fans with machines are welcome to join the parade which will leave the Biltmore Hotel at 1 o'clock sharp.
