

ROUND THE BASE LINES

Taylor's A. B. C.s displayed too much class for the State Normal College lads at Montgomery, putting the kayo on the rah rah crew to the tune of 10 to 0.

Taylor's A. B. C.'s are sending in some mighty fine reports from the Southland. They are wading through the Southern Leaguers with the ease that a knife passes through the cheese. Taylor has unearthed a few finds and has a real surprise in store for the fans when he hits the new circuit. Hinton, the new second baseman, has struck favor with the A.'s manager and C. calls him the find of the season, while Owens, the Smoky City recruit, acts and has the bearings of a veteran. The A.'s line this season

will be: Powell, Murry, Webster,
catchers: Owens, Rile, Dismukea, Rag-
lan and Johnson, pitchers; B. Taylor,
first base; Houston, second base;
Clark, shortstop; Day, third base;
Charleston, center field; Shively, left
field; Jefferies, right field.
