

DETROIT STARS WIN

INITIAL EVENT IS A WALKAWAY FOR BLUNT'S BOYS

A huge throng of enthusiastic fans braved the chilly atmosphere that encompassed Mack Park Sunday and incidentally witnessed the first baseball killing of the season. Owner Blunt and Capt. Hill have gathered an unusually strong collection of players for the campaign now near at hand, if the show of the gang last Sunday is a sample of the athletic goods that they will display all season.

The new men, Lyons, Hill and Boyd, appear to be right up to the class of any outfielders that are likely to show at Mack park this season, while the new pitchers, especially Holland, are destined to hold their own in any kind

of company. Eggerston, the new man behind the bat, has already secured a safe place within the hearts of the fans, and as he is an outfielder as well as a catcher, the Stars undoubtedly have landed a man of much value.

The Stars wielded the old willow in a manner to indicate that they would repeat on last season's batting stride. In the game Sunday they acquired 13 blows, six of them going for doubles, and with the boys pulling up, they scored a dozen runs. Wesley is starting out in a manner as to make believe that he is going to give Capt. Hill a run for the heavy batting honors this season, while Hewitt is coming fast and may give them all a run for the bat prestige. Cooper, the Texas recruit, shows excellent form, and Moore and Walker are making a favorable impression. Score:

Detroit Stars	...	0	2	3	3	2	1	1	0	*—12
Denby Truck Co.	0	0	0	0	0	0	0	0	0	—0

Sunday, April 18th, the Stars will play the Delray All Stars, one of the fastest teams in the state.
