

MARCOS ARE SET

Dayton, Ohio, April 23.—The Marcos of this city, who no doubt will be the dark horses in the new circuit just formed, are going to the post with a team of players that can be depended upon to hold good with any, that is where speed, youth and efficiency are concerned. Jim Taylor has been successful in gathering a team of players who fortunately have acquired just enough experience to fool the wise ones in the league who, through the failure of Owner Matthews to talk, thought he would not land much of a club for this season. The line-up: Taylor, second base; Leary, third base; Brown, first base; Wingfield, Alexander and Thompson, outfield; Britt, Grey, Lane and Wilson, pitchers; McNeal, Shelton, Miller, catchers.
