

TESREAU'S BEARS TRIMMED

Darby, Pa., Aug. 7—Jeff Tesreau's Bears had things their own way in the first frame today and started clawing things up. Brown, the first batter, walked. Santop, in an effort to catch him, threw to right field and the runner went to third. Flournoy fanned. Hunter walked, going to second when King fanned. Santop caught Lane off second and he was trapped, but eluded the Hilldale infield till Brown started from third home and the whole local team shifted their scene of action. Brown managed to get back to third safe after some clever foot work and Kline perched on second. Paige singled and two runs went over. That was all for the visitors. The home club tied the score in the sixth and went into the lead in the seventh on hits and good base running. Score:
