

## HILDALE VS. GIANTS

Newark, N. J., July 2.—The greatest event in the eastern baseball world will be the series between the Pennsylvania Giants and Hilldales, when these two great teams meet in a big double header on Sunday, July 4, at Federal League Park, Harrison, N. J. The followers of both teams are sure to be on hand, and great crowds are expected to come from Philadelphia, New York and intermediate points. Offers of three to one are being made that the Pennsylvania Giants win, showing that the great record the team has made so far this season is not being overlooked by the wise ones. The Newark Federal Park has capacity for 22,500 and parking space for 2,500 cars. A jazz band will furnish entertainment before and during the contests. Gates at 12:30.
