# "Chappie" Johnson and His Norfolk Stars Will Be Morrisville Attraction

"Chappie" Johnson and his Norfolk Stars, colored baseball tossers, will be the mid-week attraction at Morrisville tomorrow afternoon at 6 o'clock, Trenton time. Manager Nolan will use "Joe" Cotter and the reliable "Ham" Frost as his battery.

President Albert Cooper will assign two of the Delaware River League umpires to officiate at the game.

"Chappie" will be remembered in this section as the star of the old Cuban X-Giants and later with the Philadelphia Giants.

There will be plenty of police protection and indications are that one of the largest crowds that ever witnessed a baseball contest in historic

Morrisville will be in attendance.

# NORFOLK STARS TO PLAY MORRISVILLE

**Colored Aggregation Scheduled  
for Wednesday Evening at  
Island—Game at 6 O'clock**

Island Park, the shady home of the Morrisville "Reds," will be the scene of another contest of class on

Wednesday evening of this week when "Chapple" Johnson, of Cuban Giant fame, will invade "Redland" with his Norfolk stars, another of the all-star colored ball clubs now touring the East.

In securing the Norfolk dusbies, it is announced that Manager Nolan has one of the classiest baseball attractions to be had. They come to this section with a reputation as comedians as well as ball tossers.

The Reds will trot out in full strength, fresh from their nine straight victories in the Delaware River League. Joe Cotter will toss them over for Morrisville and Frost will do the receiving.

That a big crowd will be out goes without saying in view of the fact that upwards of 3,000 enthusiastic fans jammed their way into the Island Park grounds on last Wednesday evening to see the Reds put the Lincoln Giants away to the tune of 3 to 1. The game this week will be called at 6 o'clock, Trenton time.
