

HILDALE IN TIE

Camden, N. J., July, 24.—Manager Bolden, with his Hilldale team, of Darby, and "Chapple" Johnson, with his Norfolk (Va.) clan, staged a hair-raiser yesterday afternoon on the Third and Erie grounds, Camden, N. J., that was stopped by a thunder shower in the ninth inning, as Hilldale came in for their turn, with the score a tie at 5-all. The southern team apparently had the game won up to the eighth frame, 5 to 3, and had allowed the heavy hitters at Bolden but four hits. In Hilldale's half of the eighth, after two men had been disposed of, Yorke singled through short and Safftop was sent in to hit for Cockerell, and hit the second ball pitched to him far over the center field fence for the circuit, and registered Yorke ahead of him, bringing the score to 5 to 5. Whitworth pitched the ninth inning for Hilldale, and the visitors went out in order, but old Jupiter Pluvius hung

out the crepe and the game was called before Hilledale got any part of the ninth inning. Score:
