

GIANTS WIN AGAIN

Wickware and Raglan engaged each other in the last game of the series here, and the former displayed superiority by being more steady in the pinches, striking out several men in close places, aiding his own victory by batting. The Giants played a snappy game, engineering two fast double plays, Catcher Brown being on the important end of both; in addition, the receiver pulled down the house when he hurdled the visitors' bench and grabbed a foul fly for a put out. The score:
