

# HILDALE AND TESREAU DIVIDE TWIN BILL

New York, July 30.—Edward Bolden's Smoky City crew, Darby, Pa., was the attraction at Dyckman oval last Sunday before a crowd of 8,000 fans, who saw them completely swamp Jeff Tesreau's Bears in the opening game, score 11 to 1, and then drop the after-dinner engagement on errors, score 8 to 4. Burke, pitcher for the home team, was touched for a total of 13 hits, while Whitworth yielded 7, but kept them well scattered. In the first inning Briggs, lead-off man, flied to center. Francis, formerly of Rube's crew, got a great ovation from the fans as he walked to the plate, and responded with a clean single past third. Francis was out stealing.

Allen walked, and when Santop hit a wicked Texas leaguer to left field Allen went all the way to third. Cason was an easy out, ending the inning.

### **The Big Inning**

The slaughter came in the second frame when, after the bases were filled, Santop hit a 'clean home run over the center field fence, one of the longest ever made on these grounds. Before the smoke had cleared away the visitors had counted 6 runs. In the fifth frame Allen, the boy Santop brought east from Texas last winter, also hit a homer. In the Bears' half of the fifth Left Fielder Lantzis hit a home run for the only tally the Dyckman Heights boys made.

Tesreau, who pitched the second game for his team, pulled a lucky win, as usual, when the visitors pulled several errors. Whitworth started the game and was hit freely. He was relieved by Cockrell in the fifth inning. Downs of Hildale and Kelly of the home team both contributed homers. Tesreau struck out eight batsmen. The score:
