

CHICAGO GIANTS WIN

Joe Green's Chicago Giants are having much success against the Chicago League clubs. They downed the Pyotts, one of the best teams around here; beat Gary, another good one, and downed the Cragins. They also put one over on the Detroit Stars. The Pyotts are owned by Bill Niessen, one of the big Chicago League moguls. McDougal pitched grand ball and the players behind him fielded and batted timely and hard. The Chicago Giants open the circuit play at Dayton, Ohio, against the Marcos, and as Green has just acquired a string of new talent, the Saturday and Sunday at Dayton should be hotly contested affairs.
