

Norfolk All-Stars Coming

New York, June 11.—The attraction for this Sunday, June 13, at Dyckman oval will be Chapple Johnson's Norfolk All Stars, who will hook up with Jeff Tesreau's Bears in a double bill. Chapple's team has been playing splendid ball this season, having defeated such clubs as Hilldale, Capitol City Giants, Royal Giants and others of like strength. Jeff's team, as usual, has been going like a house afire, and are confident they will take both ends of the twin bill. In the Stars' line-up will be seen such men as Gatewood and Wickware, both well known pitchers. It has also been learned that the Stars have an infield that will make the white boys sit up and take notice: Tesreau and Wickware will hook up in the first game.
