## Hilldale Plays Bushwicks

Brooklyn, N. Y., June 11.—What promises to be the game of games is the meeting of Edward Bolden's Hilldale club of Darby Pa., and the Bushwicks in a double-header at Dexter Park, Sunday, June 13. The Bushwicks have been playing a strong game all season, and will be a hard team to beat. The Slow Town boys have a strong aggregation this year and are bent upon carrying the twin bill back to Phille. In the visitors' line-up will be many old favorites well known to fans of Greater New York. Among them are Barber, Francis and Whitworth, formerly of the American Giants; Santop, with last year's Royal Giants; Phil Cockrell, and others. Whitworth is scheduled to pitch the sunset tilt against the best the white boys can produce.
