

HATTERS SHUT OUT

Hilldale Wins Twilight Game by 14 to 0 Score.

Pat Cockerell, pitching for Hilldale against Stetson A. A. on the latter's grounds, Saturday afternoon, stood the hatmakers on their heads, while his teammates executed two of their finest outside twirlers. The tip went out that Hilldale was weak against left-hand twirlers, and "Lefty" Stirling was groomed for the job, for Stetson, but had to be rescued by another of the same variety in the second inning, after Hilldale had sent eight speedboys across in that frame. Cockerell held the hatmakers to two singles to left field that went for hits simply because the short left field fence permitted them to count for singles.
