

Norfolk, Va., April 30. — Harry
Bauchman wants it to be known that
he and Gatewood, also Wickware and
Chapple Johnson are with the All Stars
of this city. The old-timers are hav-
ing a fair amount of success with their
team, but as the Capitol City Giants
took them into camp recently and the
latter received a thorough trouncing
in New York, it would appear that in-
spite of the soft going that the old
fellows are framing, they at least find
trimming now and then awaiting
them.
