

ACHARACHS AT OVAL
The Sunday May 2, the famous Bacharach Giants will be the attraction at Dyckman oval in a double-header with Jeff Tesreau's Bears. The Bears have a clean slate up to this writing and are confident in whipping Dick Redding's crew. Last season the face boys took six straight from the Dyckman Heights boys before yielding to defeat. With such stars as John Henry Lloyd, Shiverley, Hutchinson, Ben Taylor, Gatewood and others of last year's team out of the line-up, it is doubtful if the Bacharachs are as strong as last year. If not, the Bears are likely to take their measure as they have been considerably strengthened. The game will be worth going miles to see, and hundreds of fans are preparing for the attraction.
