

DAYTON MARCOS WIN

Dayton, Ohio, May 14.—The Marcos, representatives of this city in the new baseball league, downed the fast Weldemans of Cincinnati, Ohio, in a long drawn out game; heavy swatting by both clubs caused the game to go nine innings, requiring two hours before a decision was reached. The Marcos won by the score of 10 to 9. Gray started on the slab for the home club, but was relieved by Britt, who entered the fray right in the heat of the contest and succeeded in striking out six of the visitors during his brief stay upon the slab. The Marcos pulled off some fast playing, engineering a fast double play in a tight place and saved the game for the local gang. The Marcos leave for Chicago the latter part of the week, where they engage the American Giants in a series of games, the first series the locals will have played in the new baseball circuit. The Marcos will take a short swing around the circuit, before they

return and they have a team that is expected to make a grand showing for this city in the new league. The score:
