

DOUBLE HEADER

Detroit, Mich., May 28.—Mack park will be the scene of a double header baseball program Sunday afternoon when two clubs from Detroit oppose teams from Flint, Mich., and Chicago, Ill., the first game starting at 1:15 o'clock.

Two of the General Motors league clubs, battling for the lead, the Northways of Detroit and Chevrolets of Flint, are to furnish the pastiming in the opener and these clubs appear very evenly matched on paper. The Northways have a strong caste this year with Rynearson as their star hurler and Hammerschmidt catcher. Flint's aggregation includes several former leaguers and this game should prove an excellent bit of pastiming.

In the 3:15 o'clock conflict the Detroit Stars will meet the Chicago Magnets, one of the best clubs in the Chicago City league. The Chicagoans have saved their best hurler for Sunday's game, Condon or Joe Scanlon,

formerly of Brooklyn, or Condon being slated to hurl. Condon has beaten the Cuban Stars, holding them scoreless, and has trimmed many other big clubs in and around Chicago. He made the spring training trip with Brooklyn, but fell just short of major league caliber. DesJardain was signed with Cleveland Americans, but couldn't quite make the grade. Hollands or a new hurler whom Manager Blunt has signed will work for the Stars.
