

BASEBALL DOPE

New York.—John Connors, secretary and treasurer, and Barron Wilkins, president, of the Bacharach Giants, will give a banquet the early part of the month in one of the large halls in and around New York City. Chas. H. Ebbetts Jr. of the Brooklyn National League club will be the guest of honor.

New York.—C. J. Jamison, who has been doing the bulk of the umpiring for the Bacharachs at Atlantic City this season, is one of the few Race umpires we have in semi-pro ball. Another umpire used by the Bacharachs is W. T. Smith, well known in baseball circles.
