

FLORENCE WILL PLAY HILLDALE TOMORROW

The R. D. Wood Club, of Florence, will meet the strong Hilldale Club, the champion colored team, of Darby, Pa., tomorrow at the R. D. Wood grounds, Florence.

In order to give everyone an opportunity to witness the contest the games will not start until 5:15.

The Hilldale Club needs no introduction to the fans as they always put up a good class of ball and it takes a very good club to defeat them. They have in their lineup Santop, one of the best catchers in the business.

The R. D. Wood Club has signed up Harris, formerly of the Pittsburgh National League Club, to cover second base, and are also dickering for one or two other good players. They also meet the strong Brooklyn Royal Giants at Florence, Saturday, June 26.
