
BASHS ARE READY FOR HILDALE TOMORROW

What is expected to be the banner baseball contest of the year in this city will take place tomorrow evening on the De Laval field when the Bashs, Delaware River League championship contenders, will tackle the famous Hildale nine in a benefit game for Bill Matthews, former Bash pitcher, who has been ill for many weeks.

Santop, the Hildale catcher, is expected to increase his home run record. A big crowd is expected, not only because of the deserving cause, but also by reason of the brand of ball that will be presented.
