

PARKESBURG WINS FIRST, LOSE SECOND

Iron Team Defeats Dobson's
in Opening Game of Double
Header at Phils' Park

Three of the leading independent teams in and around this city battled in an elimination contest at the National League grounds yesterday afternoon for the championship. The first contest brought Parkesburg Iron Company and J. and J. Dobson together and the iron workers experienced but little difficulty in disposing of the carpet makers, 7 to 1.

The real battle was the closing contest between Parkesburg and Hilldale. The iron workers had Perkins and Burrus, of Connie Mack's band, in their line-up for the last fray, but Whitworth allowed but two hits and one of those was of the scratchy variety, and Parkesburg was faded, 7 to 0.

Allen, White and Whitworth were the shining lights of Hilldale's defensive while Peplosky and Irving played sensational ball for the iron workers.
