HILDALE MEETS MORRISVILLE NINE

Tomorrow evening, at Morrisville, the Reds, leaders in the Delaware River League, will meet the strong Hildale team and the over-river nine will make an effort to keep up the fine record made in mid-week games. The visitors are considered among the fastest colored teams in the country, but with Joe Cotter on the mound and Frost behind the bat, Manager Neal Nolan expects to pilot his pets to victory.

The game will be started at 5:30 o'clock, and Umpires Kelly and Rhoads have been selected to handle the contest.

The Hildales will positively appear with their regular lineup, which includes: Briggs, cf.; Francis, 3b.; Allen, 1b.; Santop, c.; Johnson, rf.; White, lf.; Brown, ss.; Downs, 2b., and Withworth, p.
